

Compliance

Reliable, accurate data is everything when it comes to complying with employment law. Without it, you'll face complex, time-consuming, and manual processes to meet regulatory standards - processes that can expose your company to risk when even the smallest errors get through. That's why the UKG Ready® solution gives you a single source of truth and automatically delivers the data you need so you can be confident you're checking all the boxes when it comes to managing compliance.

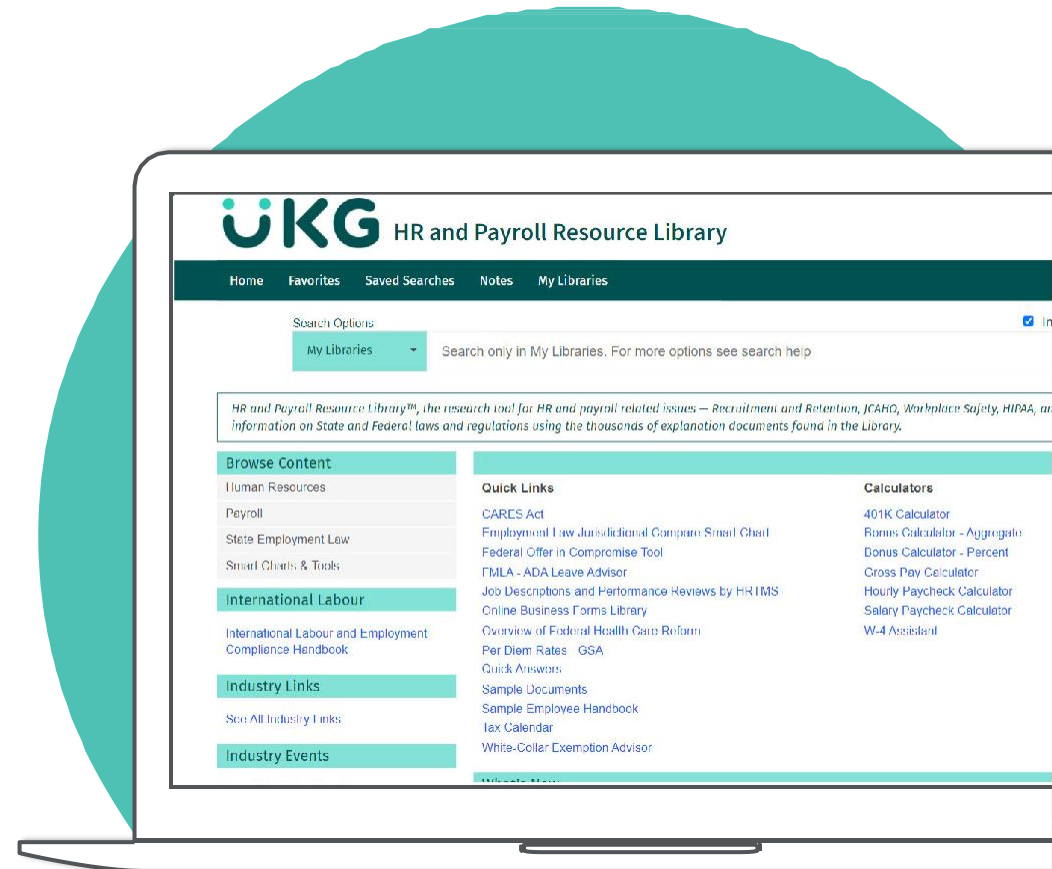

Compliance Resource Library: Access easy-to-understand breakdowns of laws and regulations all in one place. In the searchable library, powered by CCH®, a Wolters Kluwer Company®, you'll find everything you need to stay on top of the ever-changing landscape of federal and state laws, including topics and categories such as:

- HR management
- Compensation
- Staffing
- Discrimination and retaliation
- Safety, security, and risk management

Powerful Rules Engine: Enjoy proactive, automated updates to pay, time, and HR rules, giving you access to the latest so you can easily meet regulatory standards. Plus, you'll receive alerts when rules aren't being met to help reduce risk of noncompliance.

In-product Government Forms: Populate required government forms with information captured in the solution to save time and reduce the risk of error. It's automatically updated and maintained by UKG, so you'll always have the latest forms to comply with regulations such as:

- Employment eligibility
- EEOC
- FMLA
- FLSA
- OSHA
- ACA
